- Mare Owner will have the Mare examined by a licensed veterinarian 14 day after the last day bred (ultrasound) and China Blue Farm shall be notified of pregnancy status at that time. The Mare Owner must have the Mare examined by a licensed veterinarian at 55 days after the last day bred. The Mare's Breeding Passport must be signed and returned to China Blue Farm within 10 days after the 55-day examination or all guarantees are null and void. _____ (initial)

- **Live Foal Guarantee.** If the Mare does not deliver a live foal that can stand up alone and nurse within 24 hours, then the Mare Owner shall be entitled to a return breeding to Ragtime providing that Mare Owner must submit to China Blue Farm a satisfactory veterinary certificate signed by a licensed veterinarian indicating that no live foal was delivered or that the foal could not stand alone or nurse and further indicating that the foal's failure to stand or nurse was not due to any lack of reasonable care by any party. This applies to single births only. The return breeding is applicable to the above named

Mare or another mare suitable to the China Blue Farm. Booking fees, container deposits and post insemination fees would be owed solely by the Mare Owner in a return breeding.
